Sub: Appreciation for outstanding Service and Partnership.

On behalf of Machine Tool Prototype Factory, I would like express our sincere appreciation for the exceptional service your team has consistently provided. Since we began our partnership in last year 2025 your reliability and commitment to excellence have been instrumental in our success.

We would particularly like to commend your team for their recent efforts regarding machining of very high precise components of Hydraulic Shock absorber and Intermediate Gear Box for T-90 / T-72 Main Battle Tank. Your ability to meet tight deadlines and maintain high product quality standard has allowed our operations to run smoothly and meet our own customer demands with confidence.

It is pleasure to work with a partner who understands our needs and consistently goes beyond to ensure our satisfaction. Working with reliable partners like you strengthens our operations and help us to serve our customers better. We value the strong relationship we have build and look forward to many more years of successful collaboration.

Please extend our gratitude to your entire team for their hard work.
